

HP ELITEBOOK 845 G9

WORK WHERE YOU'RE NEEDED

Take some friction out of working remotely with the HP EliteBook 845. Built to seamlessly fit into enterprise IT, it also comes with features that delight its users.

HP Wolf Security for Business creates a hardware-enforced, always-on, resilient defense to protect your PC from modern threats.²

Be on the cutting edge of computing with the latest AMD Ryzen® multi-core Processors¹

COLLABORATION FOR HYBRID WORK

A good collaboration experience is imperative in our new hybrid working world. The HP EliteBook 845, powered by HP Presence⁵, with its optional auto-tracking 5MP camera⁶, Audio by Bang & Olufsen, and optional 4G LTE⁸ connectivity, lets users connect from almost any location with a more personal experience.

PRODUCTIVITY WHEREVER YOU ARE

Performance continues to improve with new technology that powers the HP EliteBook 845. The new 16:10 ratio screen reduces the need to scroll by showing more vertical content than a 16:9 display. DDR5 memory and PCI Gen4 SSDs provide fast access to your work.

A PERSONALIZED EXPERIENCE

Optimize audio and video to your surroundings, powered by HP Presence⁵, with settings in the myHP application.⁹

HELP PROTECT OUR SHARED FUTURE

This PC contains at least 30% post-consumer recycled plastic in the bezel, at least 50% post-consumer recycled plastic in the keycaps,⁴¹ and the outer box packaging is 100% sustainably sourced.⁴⁰

WEIGHT	Starting at 3.0 lbs. / 1.362kg (Weight will vary by configuration)

HP ELITEBOOK 845 G9

FOOTNOTES

1. Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.
2. HP Wolf Security for Business requires Windows 10 and higher, includes various HP security features and is available on HP Pro, Elite, Workstation, and RPOS products. See product details for included security features and OS requirements.
3. For full Intel® vPro® functionality, Windows 10 Pro or higher 64 bit, a vPro supported processor, vPro enabled chipset, vPro enabled wired LAN and/or WLAN card and TPM 2.0 are required. Some functionality requires additional 3rd party software in order to run. See <http://intel.com/vpro>
4. Sold separately or as an optional feature.
5. Requires the myHP application and Windows OS.
6. Optional feature that must be configured at the time of purchase.
7. N/A
8. 4G LTE module is optional and must be configured at the factory. Module requires activation and separately purchased service contract. Backwards compatible to HSPA 3G technologies. Check with service provider for coverage and availability in your area. Connection, upload, and download speeds will vary due to network, location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions.
9. Available on select HP PCs with Windows 10 and higher, and with Intel processors.
10. Available on select HP PCs with Windows 10 and higher and Intel processors.
11. HP Sure View Reflect integrated privacy screen is an optional feature that must be configured at purchase and is designed to function in landscape orientation.
12. Sure View privacy panel and touchscreen will lower actual brightness.
13. Low blue light panel is only available on non-touch models.
14. Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.
15. Recharges your battery up to 90% within 90 minutes when the system is off or in standby mode. Power adapter with a minimum capacity of 65 watts is required. After charging has reached 50% capacity, charging will return to normal. Charging time may vary +/-10% due to System tolerance.
16. Actual battery Watt-hours (Wh) will vary from design capacity. Battery capacity will naturally decrease with shelf life, time, usage, environment, temperature, system configuration, loaded apps, features, power management settings and other factors.
17. HP TamperLock must be enabled by the customer or your administrator.
18. Wi-Fi 6E requires a Wi-Fi 6E router, sold separately, to function in the 6GHz band. Availability of public wireless access points limited. Wi-Fi 6E is backwards compatible with prior 802.11 specs. And available in countries where Wi-Fi 6E is supported.
19. N/A
20. HP Sound Calibration is delivered automatically through Windows update or can be downloaded from <https://support.hp.com/us-en/drivers> when available. Requires Windows 10 or 11, analog headset, and setup.
21. WWAN is an optional feature, requires factory configuration and separately purchased service contract. Check with service provider for coverage and availability in your area. 4G LTE not available on all products, in all regions.
22. HP Touch Fingerprint sensor is an optional feature that must be configured at purchase.
23. HP Privacy Camera only available PCs equipped with HD or IR camera and must be installed at the factory.
24. HP Sure Start Gen7 is available on select HP PCs and requires Windows 10 or 11.
25. HP Sure Run Gen5 is available on select HP PCs and requires Windows 10 or higher.
26. HP Sure Recover Gen5 with Embedded Reimaging is an optional feature which requires Windows 10 and higher must be configured at purchase. You must back up important files, data, photos, videos, etc. before use to avoid loss of data. Network based recovery using Wi-Fi is only available on PCs with Intel Wi-Fi Module.
27. HP Sure Admin requires Windows 10, HP BIOS, HP Manageability Integration Kit from <http://www.hp.com/go/clientmanagement> and HP Sure Admin Local Access Authenticator smartphone app from the Android or Apple store.
28. HP Sure Click requires Windows 10 and higher. See https://bit.ly/2PrLT6A_SureClick for complete details.
29. HP Sure Sense is available on select HP PCs and is not available with Windows 10 Home.
30. HP Manageability Integration Kit can be downloaded from <http://www.hp.com/go/clientmanagement> and requires Microsoft Endpoint Manager.
31. HP Connect for Microsoft Endpoint Manager is available at Admin.hp.com for HP Pro, Elite, Z and Point-of-Sale PCs managed with Microsoft Endpoint Manager. Subscription to Microsoft Endpoint Manager required and sold separately. Network connection required.
32. HP Easy Clean requires Windows 10 RS3 and higher and will disable the keyboard, touchscreen, and clickpad only. Ports are not disabled. See user guide for cleaning instructions.
33. HP Support Assistant requires Windows and Internet Access.
34. Requires Internet access and Windows 10 and higher PC preinstalled with HP QuickDrop app and either an Android device (phone or tablet) running Android 7 or higher with the Android HP QuickDrop app, and /or an iOS device (phone or tablet) running iOS 12 or higher with the iOS HP QuickDrop app.
35. MIL STD 810 testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.
36. HP Total Test Process testing is not a guarantee of future performance under these test conditions. Any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
37. Select household wipes can be safely used to clean HP Elite and Workstation, and HP ProBook 635 Aero PCs up to 1,000 wipes: See wipe manufacturer's instructions for disinfecting and the HP cleaning guide for HP tested wipe solutions at How to Sanitize Your HP Device Whitepaper (<http://h20195.www.2.hp.com/v2/GetDocument.aspx?docname=4AA7-7610ENW>) not applicable to HP Elite c1030 Chromebook.
38. Based on US EPEAT® registration according to IEEE 1680.1-2018 EPEAT®. EPEAT® status varies by country. Visit www.epeat.net for more information.
39. Laptop speaker enclosure contains 5% ocean bound plastic by weight.
40. 100% outer box packaging made from sustainably sourced certified and recycled fibers. Fiber cushions made from 100% recycled wood fiber and organic material. Any plastic cushions are made from >90% recycled plastic.
41. Recycled plastic content percentage is based on the definition set in the IEEE 1680.1-2018 standard.
